All teachers have distinctive traits by which we remember them. Yours is that of generosity. You give of yourself 150% as a teacher and sponsor of club activities. Most of all, you give extra time to understand us as individuals and growing adults. You set an unequalled example of honesty, love, and understanding. Because of this, we proudly dedicate the 1975 CHIEF to you, MISS CLETA JONES.

## The Actors Assemble . . .

**WHS MAJORETTES READY**—Ready to lend a hand in leading spirit for the Waxahachie High School band and all members of the Tribe's spirit boosters, the WHS majorettes for the year will be: front, left to right, Lori Burleson and Bev Barr; center, kneeling, Georgia Howe; and back, left to right, Mary Hartsfield, Benita Brown, head majorette, and Denise Roe. (Staff Photo.)

the four-day event, which begins today at Congressional Country Club. Only British Open winner Johnny Miller, who fell off his motorbike and ripped open his right hand, is missing.

The 7,054-yard, par-70 course is uphill and demanding, and predicted temperatures in the low 90s with high humidity would test the stamina of even the fittest golfers.

"I don't know how you can design a golf course so every hole is uphill but two," said the 41-year-old Pate, who added he will score well, if he can get the feel of Congressional's greens, stiffened by early week rain but softening harder by the day.

Floyd, also coming off two weeks of rest, shot one-under-par 69s in consecutive practice rounds.

"I just wish the tournament had started today," he said Wednesday. "I feel fresh and confident I'll win. I could feel it at the Masters six months ago."

Jack Nicklaus, who has

Pasadena Valley Classic two weeks ago, predicted that Geiberger, the 1966 PGA winner, would win again.

## Horton's homer nips Rangers

DETROIT (UPI) — Willie Horton pinch hit his 10th home run of the season to lead off the ninth inning Wednesday night, sending Mark Fidrych and the Detroit Tigers to a 4-3 victory over Gaylord Perry and the Texas Rangers.

Fidrych, a top candidate for rookie of the year honors in the American League, was not his usual sparkling self, but still raised his record to 13-4 with a nine-hit, five-strikeout performance. His earned run average is now 1.97 — tops in the American League.

Horton stroked a 2-2 pitch off Perry, 11-9, as a substitute

People in Detroit feel Mark "The Bird" Fidrych can do anything ... and darn if he isn't trying to prove them right.

With 7½ weeks left in the season, Fidrych is just seven victories away from becoming the first American League rookie 20-game winner since 1954; he is the front running candidate for the Rookie of the Year honors; his 1.97 earned run average is tops in the league; and, believe it or not, the Bird is probably the only pitcher standing in the way of Jim Palmer's bid for a second consecutive Cy Young Award.

The Bird raised his record to 13-4 Wednesday night and Willie Horton pinch-hit a home run in the ninth inning, to give Detroit a 4-3 win over the Texas Rangers.

"I'm just doing what I think is right for him," Manager Ralph

# The Godfathers

A stylized, high-contrast illustration in white and black. It depicts a hand holding a knife, positioned as if about to cut into the letter 'G' of the word 'Godfathers'. The hand and knife are rendered in a simplified, almost geometric style. The background is solid black, and the entire composition is framed by a thin white border.

## In Loving Memory

Tommy Sawyer

July 14, 1958-May 9, 1974

Prince of Fr. Class, V. Pres. - Fr. Class, Fr. Class  
Favorite, Most Original Boy, Pres. Soph. Class,  
Leading Scorer on Fr. Football Team, Student Council  
2 yrs., Trainer B-Team Football

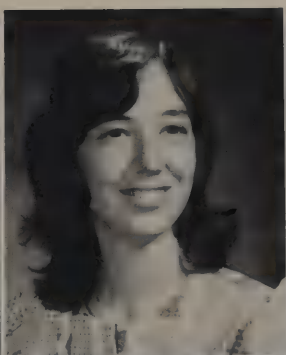

Richard Cunningham

Feb. 10, 1958-July 3, 1974

Death is a sorrowful idea to those who are left behind. We miss both Tommy and Richard though we know that they have now entered an eternal rest. We might say that they were cheated of a long life, but they lived the years that God gave them vibrantly and fully. Our love for Tommy and Richard will not lessen, but will just evolve into a love that can look back to the memories without pain or tears, and remember them with joy.

"I thank my God upon every remembrance of you." Philippians 1:3.

Lori,

It's so hard for me to realize I'm finally graduating after so many years of "work" or should I say "play!" Lori, you won't realize how much you should treasure the years, because they do go by so so fast. Just remember how we used to play together. You're a sweet and precious girl and I know you try very hard. I guess I expect a lot out of you because I know you can do it and I know you will do it the very best you can. <sup>Compliments</sup> Even if you don't get majorette of you must keep your chin, no matter what, and give it everything you've got next year. I have this

special **Daryl's Prescription Shop** little feeling inside of me that... well let's

just say, you are capable of anything because you are an outstanding person.

Hi!  
It's sure  
been great  
having you in band  
this year. Even though  
we did have our misadventures  
standing at camp, we are  
going to get to figure out  
something to do to early band. We  
can't depend on June anymore. I can't wait  
until next year and I hope you make  
maquette and maybe me as drum major.  
See ya next year. Good luck.

## Acknowledgment

The 1975 CHIEF is a record of the many todays spent at Waxahachie High School . . . todays that are now yesterdays. The work, fun, and activities that have made up this school year are already memories. The staff has tried to preserve the past and its memories for years to come through this annual.

We acknowledge that no yearbook would be complete unless thanks and acknowledgment are given to all who helped make an August dream a May reality. First of all, we express our thanks to the student subscribers and to our generous advertisers who helped to finance our efforts with their advertising.

Our special thanks are extended to our very understanding, patient, and co-operative faculty and administration of Waxahachie High School.

Our gratitude is also extended to Mr. H. C. Davis who has given us such tremendous assistance and encouragement in getting our hundreds of pictures made for our annual. Also, we wish to thank Mr. Roy Wright who has given many hours of photographic service to our effort. We also wish to thank Mr. Tommy Webb for the Freshman and Sophomore pictures, and we acknowledge with appreciation the Junior and Senior pictures provided to us from The Photographer's Company and from The Wright Studio.

It takes many people working many hours to produce a yearbook. The annual staff set as its goal to make this yearbook one that each student and faculty member of Waxahachie High School would be proud. We have given our best to make this goal a reality, and hopefully, as you now hold the results of our effort in your hands, you will look through it and recall with pleasure many happy moments from the past year. Happy memories make for a brighter future!

Best Wishes to All,

The 1975 Annual Staff
